I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNIKOM FOR THE PERIOD 1 MAY 1993 TO 31 OCTOBER 1994

A. Period from 1 May to 31 October 1993 (additional) 1/

1. By letter dated 13 April 1993 to the Secretary-General (S/25588), the Security Council concurred with the extension of the mandate of UNIKOM for another period of six months, that is, until 31 October 1993. By resolution 47/208 B of 14 September 1993, the General Assembly decided, "to appropriate to the Special Account the amount of 20 million dollars gross (19,889,600 dollars net), inclusive of the amount of 4 million dollars authorized with the prior concurrence of the Advisory Committee under the terms of paragraph 1 of General Assembly resolution 46/187 of 20 December 1991, for the strengthening of the Observation Mission for the period from 1 May to 31 October 1993, inclusive".

2. The Assembly further decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of 110,400 dollars. It also decided that there should be set off against the apportionment among Member States their respective share in the unencumbered balance of 11,304,367 dollars gross (10,311,740 dollars net) for the period from 9 April 1991 to 31 October 1993. This served to reduce the level of additional commitments for the period from 1 May to 31 October 1993 to 8,695,633 dollars gross (9,577,860 dollars net).

3. The amount so appropriated by the General Assembly was apportioned among Member States in accordance with the provisions laid out in section I.D below and as shown in section IV.

B. Period from 1 November 1993 to 30 April 1994

4. By letter dated 11 October 1993 to the Secretary-General (S/26566), the Security Council concurred with the extension of the mandate of UNIKOM for a further period of six months.

5. By resolution 48/242 of 5 April 1994, the General Assembly approved, "the amount of 37 million dollars gross (35,876,500 dollars net) for the maintenance of the Observation Mission for the period from 1 November 1993 to 30 April 1994, two thirds of this amount, equivalent to 23,917,700 dollars, to be funded from voluntary contributions from the Government of Kuwait, ...". The Assembly also decided to "appropriate to the Special Account referred to in General Assembly resolution 45/260 an amount of 13,082,300 dollars gross (11,958,800 dollars net) equivalent to one third of the cost for the maintenance of the Observation Mission for the period from 1 November 1993 to 30 April 1994, taking into account the amount of 8,687,800 dollars gross (8 million dollars net) authorized in accordance with General Assembly decision 48/466 A for the period from 1 November 1993 to 28 February 1994".

6. The Assembly further decided to set off against the apportionment among Member States their respective share in the unencumbered balance of 4,394,500

dollars gross (3,958,800 dollars net) for the period from 1 November 1993 to 30 April 1994, in addition to the amount of 8,687,800 dollars gross (8 million dollars net) already set off in accordance with decision 48/466 A for the period from 1 November 1993 to 28 February 1994. It also decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of 1,123,500 dollars for the period from 1 November 1993 to 30 April 1994.

7. The amounts so appropriated by the General Assembly were apportioned among Member States in accordance with the provisions laid out in section I.D below and as shown in section V below. The apportionments were executed in two parts so as to take into account the provisions of General Assembly resolution 47/218 of 23 December 1992 and decision 48/472 of 23 December 1993. 2/

C. Period from 1 May to 31 October 1994

8. The General Assembly, by its resolution 48/242, authorized, as an exceptional measure, the Secretary-General "to enter into commitments up to the amount of 5.5 million dollars gross (5,312,800 dollars net) per month, inclusive of the two-thirds share to be met through voluntary contributions from the Government of Kuwait, for the maintenance of the Observation Mission for the period from 1 May to 31 October 1994, subject to the review by the Security Council of the mandate of the Mission, one third of the full amount to be apportioned among Member States in accordance with the scheme set out in the present resolution".

9. By letter dated 8 April 1994 (S/1994/411), the Security Council approved the continuation of UNIKOM for a further six-month period. Accordingly, under the authorization granted to the Secretary-General by the General Assembly, an amount of 11 million dollars gross (9,876,800 dollars net), representing one third of the full amount of the commitments for UNIKOM for the period from 1 May to 31 October 1994, was apportioned among Member States in accordance with the provisions laid out in section I.D below and as shown in section VI.

D. Apportionment of the costs of peace-keeping operations

10. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. In the resolution, the General Assembly also specified the amounts of the total appropriation to be distributed among each of the four groups.

11. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would

pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

12. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

13. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNIKOM. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 52 new Member States, including 6 new Member States in 1993, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 A of 23 December 1992, and decision 48/472 of 23 December 1993. The percentage shares shown in sections IV, V and VI below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by the General Assembly in resolution 46/221 A of 20 December 1991 and adjusted in accordance with General Assembly decision 47/456 of 23 December 1992 and resolution 48/223 A of 23 December 1993.

a/ Percentages are rounded to three decimals.

b/ These amounts (gross, staff assessment, net) are offset by equivalent credits from the unencumbered balance of appropriations. In order to avoid repetition of identical figures, the schedule for the credits from the unencumbered balance is not reproduced.

c/ United States share in staff assessment credit: $236,396.

d/ With the movement of Madagascar from group C to group D (General Assembly decision 48/472), the total assessment for Madagascar is arrived at by adding the totals shown in groups C and D.

g/ Pending the placement of the Czech Republic and Slovakia in the appropriate group (General Assembly decision 48/472), there is no assessment yet for them. Consequently, the scale of assessments for 1994 has been reduced from 100.06 per cent to 99.51 per cent.
